2. Areas are approximate and might vary once titles are issued.
3. Contours are not visible on this map and interested parties should visit the site.
4. We endeavour to update this chart when changes occur.
5. In line with standard real estate sales practice properties shown "sold" or have historically sold, have unconditional sales contracts on them, or have conditional sales contracts on them if titles are not yet available.
6. #19 Mytton Heights is subject to boundary adjustment and will be smaller than shown on this plan.
7. Lot A14 may be subdivided into 3 separate lots. This was previously approved and that approval was allowed to lapse, but can be readily reinstated. Membership of AVC is optional.
8. Lots shown with Pink circled numbers (N₁) represent boundary changes and smaller lots currently being considered and are not yet approved by Council.
